

Elevate Oral Care

Just Right Children's Toothpaste SDS

| | | |
|---|----------------------------------|--|
| Section 1. Chemical Product and Company Identification | | |
| Distributed by: | Elevate Oral Care | For emergency concerns regarding ingestion, contact Poison Control: #1-800-222-1222 |
| Common name: | Just Right Children's Toothpaste | |
| Commercial Name: | OTC Toothpaste | |
| Chemical family: | Fluoride anti-caries | |
| Section 2. Information on Ingredients | | |
| Active ingredient: Sodium Fluoride 0.243% wt/wt | | |
| Section 3. Hazards Identification | | |
| Potential acute health effects: May cause irritation of the skin and eyes on direct contact. May be harmful if swallowed in large quantities. No adverse inhalation side effects expected. | | |
| Section 4. First Aid Measures | | |
| Eye contact: Immediately flush with running water for at least 15 minutes or until all material is washed off. Seek medical attention if necessary. Skin contact: Thoroughly wash contaminated area with running water. Remove contaminated clothing. Seek Medical Attention if necessary. Ingestion: Drink 1 – 2 glasses of water and seek medical attention. Inhalation: Not Applicable. | | |
| Section 5. Fire and Explosion Data | | |
| Flammability of the product: Non-Combustible. Auto-ignition temperature: Not available Flash points: Not available Products of combustion: Under fire conditions this product may emit toxic or irritating fumes including carbon monoxide and carbon dioxide. Fire-fighting media & instructions: Use extinguishing media suitable for surrounding environment. | | |
| Section 6. Accidental Release Measures | | |
| Slippery when spilt, avoid accidents and clean up immediately. Small Spills: Mop up surfaces immediately with plenty of water Large Spills: Cover area with inert absorbent material. Use latex gloved hands or scoop to put into waste disposal container for disposal according to state, federal and local guidelines. | | |
| Section 7. Handling and Storage | | |
| Precautions: Store tubes away from heat and direct sunlight to maximize shelf life. Storage: Store in cool dry place. | | |
| Section 8. Personal Protection | | |
| Engineering controls: None Personal protection: Eyewear & protective gloves when cleaning large spills. | | |

Elevate Oral Care

Just Right Children's Toothpaste SDS

| |
|--|
| Section 9. Physical and Chemical Properties |
| Physical appearance: Sparkling Semi-Clear Gel pH: 4.2 – 5.0 Solubility: 100% miscible in water Boiling point: Not available Vapor pressure: Not available Volatility: Not available Odor: Fruity Mint Odor Taste: Fruity Mint Color: Red Critical temperature: Avoid temperatures outside of standard storage conditions. |
| Section 10. Stability and Reactivity Data |
| Stability: Product is stable at standard temperatures Instability temperature: Avoid excess heat or fire. Incompatibility: Avoid oxidizing agents. |
| Section 11. Toxicological Information |
| Routes of entry: Eye contact; skin contact, ingestion Toxicity to animals: LD50: not available LC50: not available Chronic effects on humans: Eye and skin irritation |
| Section 12. Ecological Information |
| Ecotoxicity: Not available BOD5 & COD: Not available Products of biodegradation: Possibly hazardous short term degradation products are not likely. Long term products of degradation unlikely. Toxicity of the products of biodegradation: Not Available |
| Section 13. Disposal Consideration |
| Waste disposal: Dispose of in approved waste receptacle according to state, federal, and local guidelines. |
| Section 14. Transport Information |
| DOT Classification: Non Hazardous |
| Section 15. Other Regulatory Information |
| Health Hazard: 1 Fire Hazard: 0 Reactivity: 0 |
| Section 16. Disclaimer |
| The information herein is provided in good faith, without warranty expressed or implied. |
